Subject: Proposed Rule: Legal Expense Fund Regulation(RIN3209-AA50)
Date: Friday, June 17, 2022 11:52:53 AM

Dear Sirs/Madams.
I oppose OGE's proposed legal expense regulation as drafted. Making compliance optional and voluntary is a cynical dereliction of your duty.
It should be applied without exception and for a period of 5 years
Sincerely,
Nancy Williams Painter
