Subject: "Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50)"
Date: Friday, June 17, 2022 11:39:46 AM

I oppose OGE's proposed leagal expense fund regulation as drafted.
OGE should
-Remove the section that makes compliance optional

-Replace the proposed recusal requirement with a broader 5 year recusal requirement.

-Remove the example of a sexual offender

- Make sure nonprofit charities (501(c)(3) organizations) have equal footing with large law firms by allowing them to hire legal counsel to defend whistleblowers
