E=E2=80=99s proposed legal expense fund regulation as drafted. OGE should:&=
#10;remove the exception that makes compliance with the regulation optional=
;
replace the proposed recusal requirement with a broader 5-year recusa=
l requirement that prevents donors of cash gifts from influencing decisions=
, policies, or regulations affecting them or the industries in which they h=
ave substantial interests;
remove the offensive example involving an ac=

cused sexual harasser; and
place nonprofit charities (501(c)(3) organiz=
ations) on an equal footing with large law firms by allowing them to hire l=
egal counsel for whistleblowers.
