This section does not include assets or income from United States Government employment or assets that were acquired separately from the filer's business, employment, or other income-generating activities (e.g., assets purchased through a brokerage account). Janice Kaye
Designated Agency Ethics Official
Office of the United States Trade Representative
600 17th Street NW
Washington DC 20508

Dear Ms. Kaye:

The purpose of this letter is to amend Parts 4 and 6 of my public financial disclosure report signed on January 9, 2017. On Part 6, I incorrectly reported the value of Sentinel Capital Partners III LP, which appears as item 15, by providing the value of the total return from the investment instead of its value at the close of the reporting period. I also provided the incorrect income amount. The value is approximately $1,050 and the income amount for last year was approximately $3,900. On item 37, I inadvertently omitted an investment in the Nevada 529 College Savings Plan. The 529 account also includes Vanguard Moderate Growth Portfolio, with a value of $1,001-$15,000 and income less than $201.

The following amends Part 6 of my report by correcting the value and income amount of Sentinel Capital Partners III LP in item 15, and adding Vanguard Moderate Growth Portfolio to the Nevada 529 College Savings Plan, item 37.3.

Part 6

#	Description	EIF	Value	Income Type	Income Amount
15	Sentinel Capital Partners III LP (cash)	N/A	$1,001-$15,000	Interest	$2,501-$5,000
37.3	Vanguard Moderate Growth Portfolio	Yes	$1,001-$15,000		None (or less than $201)

In Part 4 of my report, I listed United States Steel Corporation as a source of compensation exceeding $5,000 in a calendar year. However, because I did not bill for any work for United States Steel Corporation in calendar years 2015, 2016, or 2017, this line item should not have been included on my report.

I understand that the Office of Government Ethics will release this letter as an attachment to my financial disclosure report.

Sincerely,

Robert E. Lighthizer
