Re: Addendum to Financial Disclosure Report of William P. Barr

Dear Mr. Lofthus:

The purpose of this document is to supplement my financial disclosure report dated December 24, 2018, which inadvertently omitted a small number of shares of Verizon Communications Inc. common stock. I no longer possessed the stock certificate and received no statements; my financial advisor was also unaware of the shares. When I recently received a small dividend check, I inquired with the company and learned that I owned 56 shares, which apparently had been issued to me before I left the company in 2008. Upon learning of this, I promptly informed my attorneys and they notified the Department of Justice ethics office. I also took immediate steps to divest the shares, which have now been divested.

Since assuming my duties as Attorney General, I have not participated personally and substantially in any particular matter that had a direct and predictable effect on my financial interest in Verizon Communications Inc. The value of the shares in question was below the de minimis regulatory exemption level for particular matters involving specific parties under 5 C.F.R. § 2640.202(a).

Part 2

Description	EIF	Value	Income Type	Income Amount
Verizon Communications Inc. – common stock	N/A	\$1,001 - \$15,000		None (or less than \$201)

I request that this amendment be attached to my financial disclosure report and released upon request with that report.

Sincerely yours,

William P. Barr
