David J. Apol, Acting Director
and General Counsel
Office of Government Ethics
Suite 500
1201 New York Avenue, NW
Washington, DC 20005-3919

Dear Mr. Apol:

In accordance with the provisions of Title I of the Ethics in Government Act of 1978 as amended, I am forwarding the financial disclosure report of Halsey B. Frank. President Trump has announced his intent to nominate Mr. Frank to serve as United States Attorney for the District of Maine.

We have conducted a thorough review of the enclosed report and have counseled Mr. Frank on the ethics rules. Although it is not possible to provide for all of the specific circumstances which might give rise to a financial conflict of interest because the work of United States Attorneys involves a wide variety of matters involving specific parties, and it is not possible to predict where conflicts will arise until specific parties are identified, we have counseled Mr. Frank on the applicable conflict-of-interest laws and regulations and, in particular, on the application of 18 U.S.C. § 208.

As required by 18 U.S.C. § 208 and the provisions of 5 C.F.R. § 2635.401 et seq., Mr. Frank will not participate personally and substantially in any particular matter in which he knows that he has a financial interest directly and predictably affected by the matter, or in which he knows that a person whose interests are imputed to him has a financial interest directly or predictably affected by the matter, unless he first obtains a written waiver, pursuant to Section 208(b)(1), or qualifies for a regulatory exemption, pursuant to Section 208(b)(2). Mr. Frank understands that the interests of the following persons are imputed to him: his spouse; minor children; any general partner of a partnership in which he is a limited or general partner; any organization in which he serves as an officer, director, trustee, general partner or employee; and any person or organization with which he is negotiating or has an arrangement concerning prospective employment. In determining whether a particular matter has a direct and predictable effect on his financial interests or on those of any other person whose interests are imputed to him, Mr. Frank will consult with the Executive Office for United States Attorneys (EOUSA), General Counsel's Office, and will follow the procedures outlined in the United States Attorneys' Manual, Section 3-2.170 et seq. As stated in the attachment to this Ethics Agreement, Mr. Frank understands and agrees to comply with the conflict of interest statute and regulations, and to follow the procedures set forth in this agreement.

Upon confirmation, Mr. Frank will resign his position as a Trustee of a family trust. For a period of one year after his resignation, he will not participate personally and substantially in any particular matter involving specific parties in which he knows this trust is a party or represents a party, unless he is first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Upon confirmation, Mr. Frank will resign from his positions with the Forecaster Newspaper and the Maine Leadership Institute. For a period of one year after his resignation from each of these organizations, he will not participate personally and substantially in any particular matter involving specific parties in which he knows that organization is a party or represents a party, unless he is first authorized to participate, pursuant to 5 CFR § 2635.502(d).

If Mr. Frank has a managed account or otherwise uses the services of an investment professional during his appointment, he will ensure that the account manager or investment professional obtains his prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the exemption at 5 C.F.R. § 2640.20l(a), or obligations of the United States.

Mr. Frank has been advised that the duties of the position of United States Attorney may involve particular confidential matters identified by the United States Attorney's Office (USAO) that may affect his financial interests. EOUSA has determined that it is not necessary at this time for Mr. Frank to divest his financial interests because his recusal from particular matters in which these interests pose a conflict of interest will not substantially limit his ability to perform the essential duties of the position of United States Attorney. Immediately upon confirmation, EOUSA will prepare recusals for all particular matters in which Mr. Frank will not be granted a waiver or will not qualify for a regulatory exemption.

The USAO has conducted a conflict review, and has found no additional conflicts of interest. Should additional conflicts arise, the USAO will seek the necessary waiver(s) or recusal(s) of the nominee immediately upon his confirmation. An appropriate screening mechanism will be identified and immediately upon appointment of the new United States Attorney, all USAO personnel will be advised in writing of all matters in which the new United States Attorney may not participate. The notification will specifically list the matters and identify the Acting United States Attorney for those matters.

Mr. Frank will meet in person with the United States Attorney's Office ethics advisor during the first week of his service in the position of United States Attorney for the District of Maine in order to complete the initial ethics briefing required under 5 C.F.R. § 2638.305. Within 90 days of his confirmation, he will document his compliance with this ethics agreement by notifying the Executive Office for United States Attorneys, General Counsel's Office, in writing when he has completed the steps described in this ethics agreement.

Mr. Frank has been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Finally, Mr. Frank understands that as an appointee he is required to sign the Ethics Pledge (Exec. Order No. 13770) and that he will be bound by the requirements and restrictions therein in addition to the commitments he has made in this ethics agreement.

Based on the above agreements and counseling, I am satisfied that the report presents no conflicts of interest under applicable laws and regulations and that you can so certify to the Senate Judiciary Committee.

Sincerely,

Lee J. Lofthus
Assistant Attorney General
For Administration and
Designated Agency Ethics Official

Enclosure
