Re: Ethics Undertakings

Dear Ms. McManus:

I am committed to the highest standards of ethical conduct for government officials. If confirmed as U.S. Ambassador to the Federal Republic of Germany, as required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1) or qualify for a regulatory exemption pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

I understand that a heightened prospect of a conflict of interest could exist as to companies that maintain a presence in Germany, because they may be more likely than other companies to seek official assistance from or make contact with the Embassy or otherwise be affected by policies and engagement implemented by the Embassy. I will remain alert to the possible need to recuse where appropriate.

Upon confirmation, I will file the necessary paperwork to dissolve my company, Capitol Media Partners. All amounts owed to me by any of my clients will be fixed before I assume the duties of the position of Ambassador, and I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the ability or willingness of any of these clients to pay these amounts. In addition, I will not participate personally and substantially in any particular matter involving specific parties in which I know a former client of mine is a party or represents a party, for a period of one year after I last provided service to that client, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Upon confirmation, I will resign from my position with Treatment Technologies Insights LLC. I will continue to have a financial interest in this entity, but I will not provide services material to the production of income. Instead, I will receive only passive investment income from it. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Treatment Technologies Insights LLC unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

fg

I will divest all of my interests in the entities listed in Attachment A within 90 days of my confirmation. With regard to each of these entities, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested it, unless I first obtain a written waiver, pursuant to 18 U.S.C. §208(b)(1), or qualify for a regulatory exemption pursuant to 18 U.S.C. § 208(b)(2).

If I rely on a *de minimis* exemption under 5 C.F.R. § 2640.202 with regard to any of my financial interests in securities, I will monitor the value of those interests. If the aggregate value of interests affected by a particular matter increases and exceeds the *de minimis* threshold, I will not participate personally and substantially in the particular matter that to my knowledge has a direct and predictable effect on the interests, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1).

If I rely on a *de minimis* exemption under 5 C.F.R. § 2640.201(b) with regard to any of my financial interests in sector mutual funds, I will monitor the value of those interests. If the aggregate value of my interests in sector mutual funds that concentrate in any one sector exceeds \$50,000, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of any holdings of the funds that are in the specific sector in which the funds concentrate, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I have managed accounts, and I will direct the account managers to obtain my prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the exemption at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds. I will monitor whether the account managers are following this direction regarding prior approval.

I understand that as an appointee I will be required to sign the Ethics Pledge (Exec. Order No. 13770) and that I will be bound by the requirements and restrictions therein in addition to the commitments I have made in this ethics agreement.

I will receive a live ethics briefing from a member of the ethics office after my confirmation but no later than 15 days after my appointment as required under 5 C.F.R. § 2638.305, unless granted an extension under that regulation. Within 90 days of my confirmation, I will document my compliance with this ethics agreement by notifying you in writing when I have completed the steps described in this ethics agreement.

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

Richard A. Grenell
