Mr. Richard C. Visek
Deputy Legal Adviser and
Designated Agency Ethics Official
Office of the Legal Adviser
U.S. Department of State
Washington, D.C. 20520

Re: Ethics Undertakings

Dear Mr. Visek:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of U.S. Representative to United Nations Agencies for Food and Agriculture, with the rank of Ambassador. It is my responsibility to understand and comply with commitments outlined in this agreement.

SECTION 1 – GENERAL COMMITMENTS

As required by the criminal conflicts of interest law at 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the particular matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me:

- Any spouse or minor child of mine;
- Any general partner of a partnership in which I am a limited or general partner;
- Any organization in which I serve as an officer, director, trustee, general partner, or employee; and
- Any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

In the event that an actual or potential conflict of interest arises during my appointment, I will consult with an agency ethics official and take the measures necessary to resolve the conflict, such as recusal from the particular matter or divestiture of an asset.

I have managed accounts, and I will direct the account managers to obtain my prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the regulatory exemption for diversified mutual funds and unit investment trusts at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds. I will monitor whether the account managers are following this direction regarding prior approval.

I will receive a live ethics briefing from a member of the ethics office after my confirmation but not later than 15 days after my appointment pursuant to the ethics program regulation at 5 C.F.R. § 2638.305. Within 90 days of my confirmation, I will submit my Certification of Ethics Agreement Compliance which documents my compliance with this ethics agreement.

I understand that as an appointee I will be required to sign the Ethics Pledge (Exec. Order No. 13989) and that I will be bound by it. Among other obligations, I will be required to recuse from particular matters involving specific parties involving my former employer or former clients for a period of two years after I am appointed, with the exception of federal, state, and local government.

I will not modify this ethics agreement without your approval and the approval of the U.S. Office of Government Ethics pursuant to the ethics agreement requirements contained in the financial disclosure regulation at 5 C.F.R. § 2634.803(a)(4).

SECTION 2 – POSITIONS

[a] Hensley Beverage Company

Upon confirmation, I will resign from my position with Hensley Beverage Company. Because I will continue to own stock in Hensley Beverage Company, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Hensley Beverage Company, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

Following my resignation from the company, I may enter into a separate agreement with Hensley Beverage Company for potential use of secretarial support and equipment for personal activities, use of a motor vehicle, and/or health insurance and retirement benefits. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of any of the trusts listed above, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

[d] Limited Liability Companies

I am the sole proprietor of Mrs. Maverick, LLC. Upon my confirmation, Mrs. Maverick, LLC will continue to receive any royalties or outstanding payments, but will cease to engage in any other business and will not advertise. As U.S. Representative to United Nations Agencies for Food and Agriculture, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Mrs. Maverick, LLC, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1) or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

There is a single outstanding payment owed to Mrs. Maverick, LLC by Penguin Random House under a pre-existing contract. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the ability or willingness of Penguin Random House to make this payment, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1) or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I will also retain my unpaid positions as manager of Dream Catcher Family, LLC; Wild River, LLC; and 701 Pennsylvania Avenue NW, PH18, LLC. I will not at any time receive compensation for services that I perform during my government appointment. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of these companies, or their underlying assets, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1) or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

SECTION 3 – DIVESTITURES

As soon as practicable but not later than 90 days after my confirmation, I will divest my interests in the entities listed in Attachment A, which are held in managed accounts. With regard to each of these entities, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested it, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I have verified that I will be able to carry out the divestitures within the timeframe described above.

I understand that I may be eligible to request a Certificate of Divestiture for qualifying assets and that a Certificate of Divestiture is effective only if obtained prior to divestiture. Regardless of whether I receive a Certificate of Divestiture, I will ensure that all divestitures discussed in this agreement occur within the agreed upon timeframes and that all proceeds are invested in non-conflicting assets. I understand that I must timely submit my request for a Certificate of Divestiture to allow for adequate time for OGE to process the Certificate of Divestiture, and in order to divest assets within the agreed upon timeframe.

I will not repurchase any asset I was required to divest without consulting with my agency ethics official and the U.S. Office of Government Ethics.
