Dear Ms. Daniel,

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Commissioner, United States Section, International Joint Commission.

As required by 18 U.S.C. Section 208(a), I will not participate personally and substantially as Commissioner of the International Joint Commission in any particular matter that has a direct and predictable effect on my financial interests or those of any person whose interests are imputed to me, unless I first obtain a written waiver, pursuant to section 208(b)(1), or qualify for a regulatory exemption, pursuant to section 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

Upon confirmation, I will resign from my position as Board Director for Next Energy. Upon my appointment to the Commission, I will resign from my position as Board Director for the Michigan Natural Resources Trust Fund. For a period of one year after my resignation from each of these entities, I will not participate personally and substantially in any particular matter involving specific parties in which Next Energy or the Michigan Natural Resources Trust Fund is a party or represents a party, unless I am first authorized to participate pursuant to 5 C.F.R. Section 2635.502(d).

I resigned from my position as President of the Michigan Environmental Council in December of 2008. I also resigned from the following Board Director positions in December of 2008: ReCellular Inc., State Environmental Leadership Program, Madison, Wisconsin, Michigan League of Conservation Voters, League of Conservation Voters, Washington, D.C., and the League of Conservation Voters Education Fund, Washington, D.C. For a period of one year after my resignation from each of these entities, I will not participate personally and substantially in ~~any particular matter involving specific parties in which the Michigan Environmental Council,~~ ReCellular Inc., State Environmental Leadership Program, Michigan League of Conservation

Voters, League of Conservation Voters, or the League of Conservation Voters Education Fund is a party or represents a party, unless I am first authorized to participate pursuant to 5 C.F.R. Section 2635.502(d).

I will retain my unpaid position as Trustee for the Sara Pollack Educational Trust. I understand that the interests are imputed to me under 18 U.S.C. Section 208. Accordingly, I will not participate personally and substantially in any particular matter that has a direct and predictable effect on the financial interest of the Sara Pollack Educational Trust unless I first obtain a written waiver, pursuant to section 208(b)(1), or qualify for a regulatory exemption, pursuant to section 208(b)(2).

Sincerely,
