Dear Mr. McCarthy:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Chief Executive Officer, Millennium Challenge Corporation.

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

My spouse is employed by Growth Energy, a position for which she receives a fixed annual salary and a bonus tied to her performance. For as long as my spouse works for Growth Energy, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on my spouse's compensation or employment with Growth Energy. I also will not participate personally and substantially in any particular matter involving specific parties in which I know Growth Energy is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

If I rely on a *de minimis* exemption under 5 C.F.R. § 2640.201(b) with regard to any of my financial interests in sector mutual funds, I will monitor the value of those interests. If the aggregate value of my interests in sector mutual funds that concentrate in any one sector exceeds \$50,000, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of any holdings of the funds that are in the specific sector in which the funds concentrate, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

If I have a managed account or otherwise use the services of an investment professional during my appointment, I will ensure that the account manager or investment professional obtains my prior approval on a case-by-case basis for the purchase of any assets other than cash,

cash equivalents, investment funds that qualify for the exemption at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds.

I understand that as an appointee I will be required to sign the Ethics Pledge (Exec. Order No. 13770) and that I will be bound by the requirements and restrictions therein in addition to the commitments I have made in this ethics agreement.

I will meet in person with you during the first week of my service in the position of Chief Executive Officer in order to complete the initial ethics briefing required under 5 C.F.R. § 2638.305. Within 90 days of my confirmation, I will also document my compliance with this ethics agreement by notifying you in writing when I have completed the steps described in this ethics agreement.

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

Sean Cairncross
