Re: Ethics Undertakings

Dear Mr. Visek:

I am committed to the highest standards of ethical conduct for government officials. If confirmed as Ambassador to the Bolivarian Republic of Venezuela, as required by 18 U.S.C. §208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. §208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. §208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

I understand that a heightened prospect of a conflict of interest could exist as to companies that maintain a presence in the Republic of Venezuela, because they may be more likely than other companies to seek official assistance from or make other contact with the Embassy or otherwise be affected by policies and engagement implemented by the Embassy. I will remain alert to the possible need for recusal where appropriate.

If I have a managed account during my appointment, I will direct the account manager to obtain my prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the exemption at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds. I will monitor whether the account manager is following this direction regarding prior approval.

If I rely on a *de minimis* exemption under 5 C.F.R. § 2640.201(b) with regard to any of my financial interests in sector mutual funds, I will monitor the value of those interests. If the aggregate value of my interests in sector mutual funds that concentrate in any one sector exceeds \$50,000, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of any holdings of the funds that are in the specific sector in which the funds concentrate, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

My spouse is employed by E-9 Corporation in a position for which she receives a fixed salary. For as long as my spouse works for E-9 Corporation, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on my spouse's compensation or employment with E-9 Corporation. I also will not participate personally and substantially in any particular matter involving specific parties in which I know E-9 Corporation is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

I will recuse myself from participation on a case-by-case basis in any particular matter involving specific parties in which I determine that a reasonable person with knowledge of the relevant facts would question my impartiality in that matter, unless I am first authorized to participate, pursuant to 5 C.F.R. Part 2635, Subpart E.

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,
