Re: Ethics Undertakings

Dear Mr. Visek:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Ambassador to the Socialist Republic of Vietnam. It is my responsibility to understand and comply with commitments outlined in this agreement.

SECTION 1 – GENERAL COMMITMENTS

I am committed to the highest standards of ethical conduct for government officials. If confirmed as Ambassador to the Socialist Republic of Vietnam, as required by the criminal conflicts of interest law at 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the particular matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me:

- Any spouse or minor child of mine;
- Any general partner of a partnership in which I am a limited or general partner;
- Any organization in which I serve as officer, director, trustee, general partner or employee; and
- Any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

In addition, I will recuse myself from participation on a case-by-case basis in any particular matter involving specific parties in which I determine that a reasonable person with knowledge of the relevant facts would question my impartiality in that matter, unless I am first authorized to participate, pursuant to the impartiality regulations at 5 C.F.R. Part 2635, Subpart E.

In the event that an actual or potential conflict of interest arises during my appointment, I will consult with an agency ethics official and take the measures necessary to resolve the conflict, such as recusal from the particular matter or divestiture of an asset.

I understand that a heightened prospect of a conflict of interest could exist as to companies that maintain a presence in Vietnam, because they may be more likely than other companies to seek official assistance from or make contact with the Embassy or otherwise be affected by policies and engagement implemented by the Embassy. I will remain alert to the possible need for recusal where appropriate.

I have a managed account, and I will direct the account manager to obtain my prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the regulatory exemption for diversified mutual funds and unit investments trusts at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds. I will monitor whether the account manager is following this direction regarding prior approval.

I will not modify this ethics agreement without your approval and the approval of the U.S. Office of Government Ethics pursuant to the ethics agreement requirements contained in the financial disclosure regulation at 5 C.F.R. § 2634.803(a)(4).

SECTION 2 – EXEMPTIONS AND WAIVERS

If I rely on a *de minimis* exemption under 5 C.F.R. § 2640.202 with regard to any of my financial interests in securities, I will monitor the value of those interests. If the aggregate value of interests affected by a particular matter increases and exceeds the *de minimis* threshold, I will not participate personally and substantially in the particular matter that to my knowledge has a direct and predictable effect on the interests, unless I first obtain a written waiver pursuant 18 U.S.C. § 208(b)(1).

If I rely on a *de minimis* exemption under 5 C.F.R. § 2640.201(b) with regard to any of my financial interests in sector mutual funds, I will monitor the value of those interests. If the aggregate value of my interests in sector mutual funds that concentrate in any one sector exceeds \$50,000, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of any holdings of the funds that are in the specific sector in which the funds concentrate, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1).

SECTION 3 – PUBLIC POSTING

I have been advised that this ethics agreement and the Certification of Ethics Agreement Compliance will be posted publicly, consistent with the public information law at 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,
