Do not report a transaction involving property used solely as your personal residence, or a transaction solely between you, your spouse, or dependent child. Check the "Certificate of Investment" block to indicate each made pursuant to a certificate of investment from CDFI.

1. This category includes only U.S. domiciled assets in which you or the Reporting spouse or dependent children, if the underlying asset is either held jointly or solely by the Reporting spouse or dependent children, use the other asset categories of which is appropriate.

**Part II: Gifts, Reimbursements, and Travel Expenses**

For your year spouse and dependent children, report the source, a brief description, and the value of (1) gifts in excess of the gift tax exclusion, including food or entertainment received from one source during more than \$100 and (2) travel-related cash reimbursements received from one source during more than \$500. For certain vehicles, it is acceptable to indicate a lease for receipt, such as personal travel agency, of a car, SUV, or van, or other off-duty vehicles, via the travel-related gifts and reimbursements. Include travel itinerary, dates, and the nature of expenses provided. Exclude anything given to you by the U.S. Government, given to your agency in connection with official travel, received from relatives, received by your spouse or dependent child solely independent of their relationship to you, or provided as personal hospitality at the donor's residence. Also, for purposes of aggregating gifts to determine the total value from one source, exclude items worth \$100 or less. See instructions for other exclusions.
