| Privacy Act<br>Statement                                            | Section 110 of the Ethics in Government Act of 1978, as amended, requires the reporting of this information. The primary use of the information on this report is for review by Government officials to determine an appointee's compliance with applicable Federal laws and regulations, and the appointee's Ethics Agreement. Failure to provide the requested information may result in notification of lack of compliance to the Senate and the head of the appointee's agency, or the White House, and/or could result in OGE declining to certify the appointee's financial disclosure reports. The appointee could also be required to recuse from matters based on uncertainty as to whether they have divested or resigned from a matter determined to raise potential conflicts.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

Generally, waiting for an account manager to sell an interest, not being able to locate records, or waiting for OGE to process a request for a Certificate of Divestiture are not considered unusual hardships. As noted in the Privacy Act Statement above, not submitting your Certification may result in notification of lack of compliance to the Senate, the head of your agency, or the White House. OGE may also decline to certify your financial disclosure reports. You may also be required to recuse from matters based on uncertainty as to whether they have divested or resigned from a matter determined to raise potential conflicts. OGE may also post a notice on its website, in place of your Certification, stating that you have not yet submitted the required certification.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
