Hi Marilyn,

My initial questions/edits are included below (I'm also attaching examples of what to report and where, which may help in confirming that the report captures all reportable items). Let me know if you'd like to discuss any of these comments. As for the conflicts analysis, let's set up a time to discuss after you've had a chance to review.

A couple of administrative items: In case I'm ever out of the office during this review process, my backup is Patrick Lightfoot, 202-482-9271. Also, if you are having any issues on your end (e.g., responsiveness of filer, complicated conflicts analysis, complex assets, etc.), please let me know ASAP so that I can set expectations with the Transition Team and help keep this report moving.

Thanks!

Rachel

Robert,

Rachel Dowell provided comments on this report 12/15/16. None of the comments have been addressed in *Integrity*. As you know, this report is a top priority. Is there anything we can do to move this report along?

Hi everyone,

At this point, we can share the Ethics Agreement with Ms. McMahon, but she should not sign it yet and it is subject to change once our Director reviews it (hopefully tomorrow, pending the answers of a few follow-up questions below). Ms. McMahon is also expected to sign the attached statement shortly re: (b)(3), (6).

Upon review, we had a few very minor follow-up questions/edits that can hopefully be addressed tomorrow morning:

(b)(3), (5), (6)

Once I have answers to the follow-up questions, I will continue moving this report forward.

Thanks all!

Rachel, I have spoken to Robert Gangwere. He's heading into his office now.

Can you contact the nominee's representatives and have them ask her to sign the ethics agreement and email a scanned copy ASAP. We need it right away if we're going to get this to the Senate tonight. A clean copy is attached. (Also, ask them to give you an estimate on how long it will take to get the signed EA back to us.)

(But tell them not to have her sign the 278 in Integrity until we let them know we have the green light from PTT.)

Thanks

Dear Mr. Gangwere:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Administrator of the U.S. Small Business Administration (SBA).

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

Within 90 days of my confirmation, I will divest my interests in the following entities: HPD Alkeon Growth Partners Fund, LP; and Skybridge Multi-Advisor Fund Portfolios, LLC – Series G. With regard to each of these entities, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested them, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

Within 180 days of my confirmation, I will divest my interests in HPD Millennium Strategic Capital Fund, LP. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested it, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

Upon confirmation, I will resign from my positions with the following entities: Vincent & Linda McMahon Family Foundation; APCO Worldwide of Washington, D.C.; Sacred Heart University of Fairfield, CT; Close Up Foundation of Washington, D.C.; American Corporate Partners, Inc. of New York City, NY; and Family Trust 6. For a period of one year after my resignation from each of these entities, I will not participate personally and substantially in any particular matter involving specific parties in which I know that these entities are a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Robert L. Gangwere, Esq.
January 16, 2017
Page two

Upon confirmation, I will resign from my positions as managing member of the following entities: McMahon Ventures, LLC; and Women's Leadership LIVE, LLC. I will become a non-managing member of each entity. During my appointment, I will not manage these entities or provide any other services to them. Instead, I will receive only passive investment income from them. As Administrator, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of these entities, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

I will retain my positions with the following revocable trusts: Family Trust 8; Family Trust 9A; and Family Trust 9B. I will not receive any fees for the services that I provide as an Investment Direction and Distribution Advisor during my appointment to the position of Administrator. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of these entities, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

My spouse is employed by and has an equity interest in World Wrestling Entertainment, Inc. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of World Wrestling Entertainment, Inc., unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

I understand that I may be eligible to request a Certificate of Divestiture for qualifying assets and that a Certificate of Divestiture is effective only if obtained prior to divestiture. Regardless of whether I receive a Certificate of Divestiture, I will ensure that all divestitures discussed in this agreement occur within the agreed upon timeframes and that all proceeds are invested in non-conflicting assets.

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

A handwritten signature in cursive script that reads "Linda E. McMahon". The signature is written in black ink and is positioned above the printed name.

Rochelle –

Attached please find a "roadmap" memo, outlining our proposed approach to resolve any potential conflicts of interest with respect to the nomination of Stephen Mnuchin. The memo is still marked "draft," in the event changes are necessary, but covers the basic issues that we have already discussed. The cross references are to the 278e that has been submitted; please let us know if you need another copy. Also, please feel free to forward a copy of the memo to OGE, if you think that is appropriate.

We look forward to discussing this with you at your convenience.

Based on our conversation yesterday, would you please ask the filer's representative these questions:

(b)(3), (5), (6)

Also, please remind the filer's representative that if he needs to move items on the report, there is a "move asset" button in Integrity which makes it easy to move things around on the report.

Thanks!

Hi Deb –

Steven Mnuchin "submitted" his 278, but of course there are a number of questions on the form from Treasury and OGE. We are putting together a "grid" of responses and should have that to you by later today. Some of these will require getting back into the 278, and we have a few additional items as well. How do we go about "unlocking" the 278? Dianna is working on this with me.

Thanks very much.

Attached please find our responses to the questions raised by OGE on December 21, with respect to the 278e submitted on December 16. Could you please forward a copy to the appropriate reviewer(s) at OGE? And of course would be happy to answer any questions you or OGE may have.

Please note that there are a few items for which we are still obtaining information, but in the interests of moving this ahead, we wanted to get these responses in your hands as soon as possible. We will supplement these responses with that information as soon as possible.

We look forward to speaking with you soon.

The 278e was looked at by Deb and Heather – but there have been a lot of changes (additions, deletions, etc) and they will need to look at it again. Since this is a Secretary report, Walt will want to review it as well before it is precleared. There could still be more questions. I think we are close but we are not there yet.

Even when we preclear – the filer won't resubmit the report until we receive clearance from the transition team. So no need to worry about signatures at this point.

I'm waiting to hear from Deb and Heather on the ethics agreement. Walt will want to review that again as well.

We are reviewing the documents. We may have additional questions. Once we preclear we send the ethics agreement to the transition team (and they can access Integrity to review the 278e). We then wait until the transition team authorizes us to forward the paperwork to the Senate Committee. At that point we will contact you and the agency to have the filer sign the ethics agreement and resubmit the 278e in Integrity to the agency for certification. The agency forwards the signed paperwork to us and we submit to the Senate Committee.

JAN 10 2017

The Honorable Orrin Hatch

Washington, DC 20510

Dear Mr. Chairman:

In accordance with the Ethics in Government Act of 1978, I enclose a copy of the financial disclosure report filed by Steven T. Mnuchin. President-Elect Trump has announced his intention to nominate Mr. Mnuchin for the position of Secretary, Department of the Treasury.

We have reviewed the report and have obtained advice from the agency concerning any possible conflict in light of its functions and the nominee's proposed duties. Also enclosed is an ethics agreement outlining the actions that the nominee will undertake to avoid conflicts of interest. Unless a date for compliance is indicated in the ethics agreement, the nominee must fully comply within three months of confirmation with any action specified in the ethics agreement.

Based thereon, we believe that this nominee is in compliance with applicable laws and regulations governing conflicts of interest.

Sincerely,

Assistant General Counsel
(General Law, Ethics & Regulation)

U.S. Department of the Treasury
1500 Pennsylvania Avenue, N.W.
Washington, D.C. 20220

Dear Ms. Granat:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Secretary of the Treasury.

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

As required by 31 U.S.C. § 329(a)(1)(D), I will not purchase or divest obligations of a State or the United States during my appointment to the position of Secretary of the Treasury.

Within 90 days of my confirmation, I will divest my interests in the entities listed in Attachment A. With regard to each of these entities, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested it, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

Within 120 days of my confirmation, I will divest my interests in Ratpac-Dune Entertainment Holdings LLC. With regard to these interests, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the entity until I have divested it, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I understand that I may be eligible to request a Certificate of Divestiture for qualifying assets and that a Certificate of Divestiture is effective only if obtained prior to divestiture. Regardless of whether I receive a Certificate of Divestiture, I will ensure that all divestitures discussed in this agreement occur within the agreed upon timeframes and that all proceeds are invested in non-conflicting assets.

Upon confirmation, I will ensure that all of my cash accounts are below thresholds insured by the Federal Deposit Insurance Corporation.

I will retain my unpaid position as President of Steven T. Mnuchin Inc. I am the sole owner of this entity, which I use to manage some of my investments. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Steven T. Mnuchin Inc. or its underlying assets, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I resigned from my positions as Vice Chairman and Director of CIT Group, Inc., in April 2016 and December 2016, respectively. Under the provisions of the merger of IMB Holdings LLC and CIT Group, Inc., a sum of cash, or holdback, is being reserved by CIT Group, Inc. in order to cover certain contingent liabilities of IMB Holdings LLC. Any excess is expected to be distributed to the Steven T. Mnuchin Revocable Trust and the Steven Mnuchin Dynasty Trust I between August 2018 and August 2020. Until I receive full payment, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the ability or willingness of CIT Group, Inc. to honor its contractual obligation, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1). In addition, I have a restrictive covenant agreement with CIT Group, Inc. through July 2018. Until this agreement has expired, I will not participate personally and substantially in any particular matter involving specific parties in which I know CIT Group, Inc. or IMB Holdings LLC is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Following confirmation and before I assume the duties of the position of Secretary, I will provide you with a list of every asset that I acquired subsequent to filing my nominee financial disclosure report. I will abide by your decision regarding the divestiture or retention of these assets and, if you direct the divestiture of any asset, I will accomplish the divestiture within 90 days of my confirmation. In addition, I will meet in person with you during the first week of my service in the position of Secretary in order to complete the initial ethics briefing required under 5 C.F.R. § 2638.305.

Upon confirmation, I will resign from my positions with the entities listed in Attachment B. I previously resigned from my positions with the following entities: CIT Bank NA, Sears Holdings Inc., STM Capital LLC, the Museum of Contemporary Art, and IMB Management Holdings GP LLC. For a period of one year after my resignation from each of these entities, I will not participate personally and substantially in any particular matter involving specific parties in which I know that entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Prior to or upon confirmation, I will fully disclose to you all assets of my fiancée that would have been reportable under 5 U.S.C. app. § 102 if we were married. Until we are married, I will not participate personally and substantially in any particular matter involving specific parties that to my knowledge has a direct and predictable effect on my fiancée's financial interests, or any member of my household, unless I am first authorized to participate pursuant to 5 C.F.R. § 2635.502(d), or would, if we were married, qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). Upon marriage I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on my spouse's financial interests, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely,

Yes, my understanding was that the contact we were to be working through at HHS would be out this week and that the discussions needed to wait until the first week of January. If that is incorrect, I am available to talk now. Also copied here is Cindy Berry who is working with Dr. Price on the Transition Team.

 Do you have an estimate on when you'll receive comments from Elizabeth on the EA? We're hoping to go over a solid first draft of the EA towards the end of the day today (even if the Innate issue is still being worked out).

Thanks for the answers to my last set of questions! I'm going to adjust those remaining alterations to the report shortly

Hi Stan,

Attached are my comments/edits to the first draft of the EA. I realize mine may overlap with some of Elizabeth's, but I altered some paragraphs to conform more closely with the EA Guide. Please let me know if you have any questions.

Stan,

Will do re: the CD. I agree on the technical side and will remove the corresponding entries in Part 1 accordingly.

As we had discussed beforehand, (b)(3), (5), (6)

If you or Randy could send a draft ethics agreement my way as soon as you can (despite the open question on (b)(3), (6) that would be great.

Thanks!

Stan,

I spoke with the head of our CD program and it appears that the best course of action will be to wait until we've resolved the remaining questions surrounding the amendment of the 278 and EA before moving forward with a CD review in case anything needs to be adjusted on that front. Once we're all clear there, we can start the review of the CD.

Hi Stan,

I can forward this to the manager of our CD program (which might result in the CD being assigned to me anyway), but I'd note that we're still trying to work out the amendment letter and corresponding changes to the ethics agreement, which would prevent the CD from being complete until those are done. I believe Randy was trying to get in touch with his attorney when we spoke about it on Thursday.

Dear Mr. Chairman:

By letter dated January 11, 2017, the Office of Government Ethics (OGE) transmitted to the Committee the financial disclosure report and ethics agreement of Thomas E. Price in connection with his nomination for the position of Secretary, Department of Health and Human Services. Enclosed are a letter from the Department of Health and Human Services and a letter from Dr. Price amending his financial disclosure report and supplementing his ethics agreement.

Dr. Price's enclosed letter amends the following four items that he previously disclosed in his financial disclosure report: (1) "Chattahoochee Associates" ("Organization Name" and "Position Held" columns amended in Part 1, Line 2); (2) "Chattahoochee Associates" ("Description" column amended in Part 2, Line 1); (3) "Amazon Com Inc" ("Value" column amended in Part 6, Line 14.55); and (4) "Innate Immunotherapeutics Ltd." ("Income Type" and "Income Amount" columns amended in Part 6, Line 15.1). We have reviewed this additional submission and have obtained advice from the Department of Health and Human Services concerning any possible conflict in light of its functions and Dr. Price's proposed duties. Based on the information provided, OGE and the Department of Health and Human Services continue to believe that there will be no unresolved conflicts of interest between his financial interests and the duties that he will be expected to perform as Secretary.

With regard to the assets disclosed in my December 15, 2016, financial disclosure report other than those listed above, the U.S. Office of Government Ethics has asked me to confirm that I disclosed the current value at the time of reporting. By this letter, I am confirming that I used current value with regard to those assets. This letter makes no changes to the value categories disclosed in that financial disclosure report other than those indicated above.

B) Supplement to January 11, 2017, Ethics Agreement

The new item listed above (Innate Immunotherapeutics Ltd./\$100,001-\$250,000) is covered by the commitment I made in my January 11, 2017, ethics agreement to divest all interests in Innate Immunotherapeutics Ltd. within 90 days of confirmation. In addition, the following commitments supplement my ethics agreement dated January 11, 2017.

In February 2017, I resigned from my position as Managing and General Partner of Chattahoochee Associates and transferred my ownership interest to my spouse. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Chattahoochee Associates, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1).

If I have a managed account or otherwise use the services of an investment professional during my appointment, I will ensure that the account manager or investment professional obtains my prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the exemption at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds.

I understand that as an appointee I will be required to sign the Ethics Pledge (Exec. Order no. 13770) and that I will be bound by the requirements and restrictions therein in addition to the commitments I made in the ethics agreement I signed on January 11, 2017.

I have been advised that this supplement to my ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports. I understand that this letter will also be released as an attachment to my public financial disclosure report.

Sincerely,

A handwritten signature in blue ink, appearing to read "Thomas E. Price", with a large, sweeping flourish underneath.

Thomas E. Price, M.D.

Correct, this is the representative who will be handling Mr. Pruitt's report. The transition team provided the phone number only, but since it matches the public information for Mr. Brown, I'm sure the e-mail is correct. However, you may want to call first in case that's the preferred communication method at the start.

With regard to the questions about ethics agreements, the head of our Ethics Law and Policy Branch can assist you. I will join him on that call. He is available on Thursday any time before 4 (meaning the call would have to end by 4). Is there a time on Thursday morning or early afternoon that would work for you for that call?

Ms. Matis,

I got to speak with a few other offices regarding Pruitt's Ethics agreement. I am now hoping that we can find a time this week to do a more general briefing on the OGE process for nominees because the briefing I went to was a bad time for others. Is that possible? I would like to do that *in addition* to discussing what possible tools Senators have for asking for additional OGE review or a change to the ethics agreement.

Please let me know if that is possible. I am very open Wednesday and Thursday.

The Honorable James M. Inhofe
Chairman
Committee on Environment and

United States Senate
Washington, DC 20510

Dear Mr. Chairman:

In accordance with the Ethics in Government Act of 1978, I enclose a copy of the financial disclosure report filed by Edward Scott Pruitt. President-Elect Trump has announced his intention to nominate Mr. Pruitt for the position of Administrator, Environmental Protection Agency.

We have reviewed the report and have obtained advice from the agency concerning any possible conflict in light of its functions and the nominee's proposed duties. Also enclosed is an ethics agreement outlining the actions that the nominee will undertake to avoid conflicts of interest. Unless a date for compliance is indicated in the ethics agreement, the nominee must fully comply within three months of confirmation with any action specified in the ethics agreement.

Based thereon, we believe that this nominee is in compliance with applicable laws and regulations governing conflicts of interest.

Dear Mr. Minoli:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Administrator of the United States Environmental Protection Agency.

As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me: any spouse or minor child of mine; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

Upon confirmation, I will resign from my positions with the following entities: Southern Baptist Theological Seminary, and the Windows Ministry Incorporated. I resigned from my position with the Rule of Law Defense Fund on December 8, 2016. For a period of one year after my resignation from each of these entities, I will not participate personally and substantially in any particular matter involving specific parties in which I know that entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

Upon confirmation, I will resign from my position as Attorney General of the State of Oklahoma. For a period of one year after my resignation, I will have a "covered relationship" under 5 C.F.R. § 2635.502 with the State of Oklahoma. Pursuant to 5 C.F.R. § 2635.502(d), I will seek authorization to participate personally and substantially in particular matters involving specific parties in which I know the State of Oklahoma is a party or represents a party.

I have been advised that this ethics agreement will be posted publicly, consistent with 5 U.S.C. § 552, on the website of the U.S. Office of Government Ethics with ethics agreements of other Presidential nominees who file public financial disclosure reports.

Sincerely yours,
