Subject: RE: Candidate report ready for your review

I wanted to give you a status me sending the final report to FEC. I was finally able to send the report to the FEC today. If it needs to be emailed to someone while I'm out, the best way to send it is to send it in two emails using the files that (b)(6) OG created by shrinking the files by "optimizing" it (not sure how she did that, I'll find out☺). You can find the two files at: (b)(5) – internal agency network

I will clean out the various attempts at splitting the final version up in the folder next week.

Thanks

Subject: RE: Candidate report ready for your review

Hi (b)(6) OGE, Just wanted to give you a status on me sending the certified report to FEC. I split the report into 6 files. However, I'm not sure if that is going to be small enough to email them to the FEC. I have asked ITD for the email attachment size limitations, waiting to hear back from them. If the size of each of the 6 files is too large to email, I may have to split the report into 10+ files to be able to email it.

I'll let you know☺

Cc: (b)(6) OGE Reviewer <(b)(6) @oge.gov>; (b)(6) OGE Reviewer (b)(6) @oge.gov>
Subject: RE: Candidate report ready for your review

The file is too large to send to FEC. I can work on getting it split up into multiple files tomorrow and

send it to FEC. Or I can see they would prefer to go to our website and request it through a 201 so that they get one file, not multiple files that they will need to combine on their end.

Not sure if there are any other options. Let me know what you think☺

Thanks!

Subject: RE: Candidate report ready for your review

I'm okay with sending the report to the FEC at the same time as uploading to FDTS or waiting til the next day once it's on the 201 system. I can manage either way. If we decide to wait, for any that are uploaded to FDTS on a Friday, I'll be waiting to send the report to the FEC on following Monday. So Trump wouldn't be sent to FEC until Monday in this case.

Subject: RE: Candidate report ready for your review
Importance: High

(b)(6) OGE / (b)(6) OGE Sr Counsel ,

I understand the Trump 2022 Candidate report was signed yesterday and I have starting finishing up the process**. If there is a timing on the upload to the report to FDTS please let me know.**

I re-named the final certified report and saved the report to its own folder to keep it "safe"
(b)(5) – internal agency network

REPORT.

Should the final reviewer notes be added to FDTS? It's not listed in the procedures for reviewers to do so.

In addition, #20 in the candidate procedures says "20. The appropriate branch uploads a copy to FDTS. ==If PNB reviewed the report, PNB will send an e-mail to the IFDB requesting that they place the candidate's name on the OGE website.==" Candidate reports are no longer being posted separately on OGE's website. They are uploaded as a support document just like all other 278s and pulled into the 201 system. The highlighted sentence should be removed from the procedures.

It's not listed in the procedure so I wanted to check, do you want the FEC transmittal letter and/or the email from FEC transmitting the report to OGE uploaded as support docs to FDTS?

Lastly, I noticed there seems to be a lot of concern regarding timing when it comes to candidate reports. #11 in the candidate procedures says "11. The appropriate branch scans the report, ==sends a copy to the FEC==, and uploads a copy to FDTS." Just to be clear, do I send a copy of the final report to FEC now or wait until the report shows up on the 201 system?

Thanks!
