Hi Osasu,

Great just speaking with you. Per the "spreadsheet," we have NOT reviewed the OVP program. (b)(5) deliberative

If I understand correctly, at least some portions of the OVP program are managed separately/independently from WHO, so irrespective of timing, the reviews will likely result in separate reports.

Regards,

Chip

Hello, Osasu:

Chip Christopher from OGE here. Anjali promised that she would let you know I would be reaching out to you (so I hope she did ).

I was wondering if you will have some time early next week for a brief chat? I'd like to talk you for a bit about OGE's program review function.

Please let me know and have a great weekend!

**Subject:** Introduction - Osasu Dorsey (WH Ethics Official)

OGE Colleagues - Good morning. I wanted to take a moment to (re)introduce myself to you. This week, I joined the White House Counsel's Office, taking over Anjali Phillips' portfolio, including serving as your primary WHCO point of contact for ethics matters. I have had the pleasure of meeting and working with several of you and I look forward to working with all of you.

I worked for just over 13 years as an attorney and ethics official in various federal government agencies, including as an ADAEO. I was most recently a Biden-Harris Administration political appointee Chief Counsel at the Department of Transportation's Pipeline and Hazardous Materials Safety Administration. In the coming days/weeks, looking to connect with you (separately/jointly – deferring to you on what's best and most appropriate) to touch base as I get up to speed in this new

role. Please let me know your availability and can set something up. Thank you.

Osasu
