Dear Ms. Guilford:

This is in response to your Freedom of Information Act (FOIA) referral, which the Office of Government Ethics (OGE) FOIA Office received on March 7, 2017. Your referral asked that OGE review the three documents (which appear to be identical) and return them to you, making any deletions OGE deems appropriate.

We are returning the documents without marking any proposed deletions. We reviewed the documents and found no OGE-specific equities. (b)(5) deliberative

We defer to you, however, on the extent to which these records should be released or withheld pursuant to (b)(5) deliberative and/or any other potentially applicable exemption.

If you have any questions or wish to discuss any aspect of your request, you may contact me by telephone at 202-482-9267.

Sincerely,
