Good evening-

Jenna Mazzella will be the OGE reviewer assigned to the nominee report for Howard Lutnick. Attached please find OGE's first round questions on the report. Please work with the filer to return the responses to these questions to me as soon as possible. When reviewing the questions with the filer, please keep in mind the following:

- A response is required for each question – the filer or the agency should note their response to each question in the attached document and return it to OGE. Responses should be made in a different colored font (e.g., red).
- A response should confirm information requested by noting "confirmed."
- If the filer cannot confirm an item, the filer should explain why.
- Other questions should be answered accordingly.
- Changes to entries on the report requested by OGE should be completed by the filer, the filer's representative, or the agency. Please confirm that all requested changes to the report have been completed before notifying OGE that the report is ready for further review.
- OGE will likely have additional questions for the filer and the agency after reviewing the first round responses and initial changes to the report.

Also, can you please let us know who at the agency will be working on the report and who will be working the report if that reviewer is out of the office?

In addition, OGE anticipates that the Transition Team may seek frequent status updates. As a result, Jenna will be reaching out regularly to check on the status.

We look forward to working with you on the review, and please let us know if you have any questions.

Please copy all three of us on any emails regarding this report.

Thank you,
Heather
