Subject: ABC News Inquiry

Hi Seth,

Reaching out to see if the OGE has any comment on Kellyanne Conway's appearance on Fox News this morning, where she explicitly told viewers to buy products from Ivanka Trump's company.

Would this be considered a rule violation of this OGE regulation?

<https://oge.gov/web/oge.nsf/OGE%20Regulations/5D633072D0B2DB5085257E96006A90E7>

Will there be any contact to the White House about this?

Thanks,

Alex
