Hi Seth,

Reaching out to see if the OGE has any comment on Kellyanne Conway's appearance on Fox News this morning, where she explicitly told viewers to buy products from Ivanka Trump's company.

Would this be considered a rule violation of this OGE regulation?

https://oge.gov/web/oge.nsf/OGE%20Regulations/5D633072D0B2DB5085257E96006A90E7

Will there be any contact to the White House about this?

Thanks,

Alex
