Good morning!

The Integrity report now in place lists Governor Perry’s name incorrectly – it is “Richard James Perry” when it should be instead “James Richard Perry”.

Can a “new” report opportunity be generated in Integrity with the correct name while leaving the “old/current report in place for data importation purposes”?

Step One: Change the name in the system
Step Two: Assign him a new report

If questions, please call Keith Labedz at 202-482-9218.

Please let us know when this is done, as the filer and agency are standing by.

Thanks much!

Emory

Annie,
Susan Beard corrected some minor typos on the report. Do you know if there will be additional changes? If these are the only changes, he is still precleared.
Thanks,
Deb
