Good Morning Steves,

I apologize for the delay - I left the office shortly before your reply yesterday. When convenient for you, I'd like to have a screen share session to help diagnose what's going on. You can reach me by phone at: (b) (6) any time today until 4:30pm. If there is a specific time you are available just let me know and I will set time aside.

You can join me in the screen share from this link: (b) (6)

Thank you,

Austin King

I never heard back from anyone. Please advise.

At this point, I unfortunately think we will need another extension as there won't be enough time to make the changes and have his attorney review.

Hi Chris,

Happy to help. Steves, do you have time for a screen share to diagnose the issue? If not, I'll be back in the office at 8am tomorrow morning.

Thank you,

Austin King

Austin-

Steves (cc'd) was designated for Steve Bannon, but he is having a hard time getting in. First the document wouldn't load and we tried to redo his password and he got an access denied. He is closing in on the filing date. Can you please help Steves?

Thanks!  
Chris

Dear Steves Rodriguez,

You have been registered as a Designee to Stephen Bannon within Integrity, the system created by the U.S. Office of Government Ethics for electronically filing and reviewing public financial disclosure reports. Your access as a Designee will occur through a special account that will be different from any other login rights to Integrity that you might have. This special account limits the number of individuals who can see that you are a user within Integrity.

Account login ID: (b) (6)

Account password: Please use the following link to set up your password to this account.

Nonresponsive network info

After setting up your password, you can access Integrity by going to <https://integrity.gov>.

Dave, I just tried your cell but could not get through. Could you please give me a call regarding the 278 form filed by General Flynn. Jim Schmidt at the White House Counsel's Office referred me to you. I am at 202-662-5503.

Thanks.

Rob
