Resolution Information

Resolution Date*:	2017-02-21
Resolution Category*:	Resolved
Response*:	OGE could not make a timely response to this request due to the unprecedented number of media requests OGE had received at the time of the request. OGE did make an effort to contact the reporter subsequently but did not receive a response back. Accordingly, I am closing this media request because the reporter's story was published on the same day that he made his request and the fact the reporter has not returned the telephone call noted above.
