Great. It’s always helpful for me to set a specific time. Does 3pm work? If not, feel free to suggest an alternative.

Hi Barbi – I just realized I have an engagement this afternoon, so 4pm won’t work. I could do earlier today: any time now through 1pm. Or tomorrow or later this week. Whatever is best for you.
Good morning, Barbi. Can we talk by phone? I'm available today at 4pm or pretty much any time tomorrow.

I hope this helps. I am available to talk by phone, if that would be helpful, though I realize that may not be convenient since you’re on travel.

Good morning, Barbi:

Thank you for submitting your agency’s response to the 2018 Annual Agency Ethics Program Questionnaire. We have reviewed your agency’s response and have no additional questions at this time. Once we complete our review of individual responses, we will compile the data and summarize the findings. Occasionally questions do arise out of our review of that aggregate data. We may contact you with additional questions at that point.

We expect to release a summary of the findings in the summer. For reference, past questionnaire summaries are here: https://www.oge.gov/web/oge.nsf/Annual+Agency+Ethics+Program+Questionnaire

If you have feedback you would like to provide OGE based on your experience completing this year’s Questionnaire or if there is information you think would be particularly useful to include in the compilation please feel free to let me know.

Wendy
