Subject: Save the Date. Quarterly DAEO Meeting: October 23 & Reminders Regarding Summit Session Proposals and the Survey of Ethics Officials

Date: Wednesday, September 18, 2019 9:23:14 AM

Good morning,

Please note that the next Quarterly DAEO Meeting will be held the morning of Wednesday, October 23, 2019 from 10:00 a.m. to 11:15 a.m. at the Pension Benefit Guaranty Corporation (PBGC). You will receive an email at the beginning of next month with instructions for how to register for the event.

Survey of Ethics Officials

To those of you who have already responded to the 2019 Annual Survey of Ethics Officials, thank you! If you have not responded, OGE encourages you to use this opportunity to let us know how we are doing. Your responses help OGE better serve the entire ethics community.

Click the link provided to access the survey: <https://www.surveymonkey.com> (b)(5) survey link

The survey will remain open until **September 20, 2019**.

Summit Proposals

As part of our planning for the upcoming National Government Ethics Summit to be held March 10-12, 2020, we would like to invite all interested parties to submit proposals for Summit sessions. Beyond proposing topics, we encourage you to consider presenting at the National Government Ethics Summit. Presenting an experience-based, content-relevant session alone or as part of a team is an opportunity not only to share knowledge, experiences, and ideas, but to build community.

The Summit program will focus on community-wide shared experiences and challenges: how should we strategically communicate about ethics with leaders throughout our organizations; how can we improve collaboration among those charged with specific roles and responsibilities for the agency ethics program; how do we best manage our ethics programs in a transparent world; what are the most urgent recurring challenges we face in applying ethics laws and regulations to our agencies' work; how can we best plan and prepare for the next presidential election?

To facilitate the proposal process, we ask that you complete this form:

<https://www.surveymonkey.com> (b)(5) survey link

Feel free to circulate to your staff.

You will be asked to:

- provide a session title and a one-paragraph description of the proposed session,
- specify which focus area (see below) the session would address, and
- indicate the manner of delivery (see also below) the session would use.

Deadline: Please submit your proposal(s) by September 20th. OGE will review each proposal and will contact individuals whose proposals have been accepted to present at the Summit.

- I. Potential Focus Areas-- Below are focus areas we are considering with some specific examples of topics that could fall within each.

II. Delivery Methods

Facilitated Discussion Session

Discussion sessions are opportunities for presenters to share challenges and solutions through conversational exchange. By actively engaging audience participants in dialogue about hot topics or broad issues, presenters of these sessions will rely on collective community experience among session attendees. This is a chance to have organic, topically relevant, peer-to-peer learning experiences at the conference. Maximum of two facilitators.

Interactive Presentation (45-50 minutes presentation; 25-30 minutes Q&A)

These sessions are opportunities to share topics of interest, lessons learned, foresight, or evidence of impact related to the focus area. These sessions are an opportunity to present in detail on a project, idea, or experience. These can be done solo or have multiple presenters (i.e., panel, moderated interviews, stacked presenters, etc.). Maximum of three presenters plus a moderator.

Workshop: Workshops are ideally designed to allow participants to apply knowledge and/or practice skills.

Demonstration: Demonstrations are an opportunity to showcase a product (tracking system, e-filing, training product, etc), a process, or a practice.

Left you a VM yesterday but wanted to follow up with an email.

Kim Kaplan and I talked briefly with Scott late Wednesday regarding a possible (b)(5) deliberative
He mentioned you had greater detail on the matter and we were hoping to talk a bit more about it with you. Would you have time for a quick phone call at some point today? If not today, perhaps we can set up something for early next week.

Good evening,

As you may be aware, the Director has been conducting meet and greets with the Cabinet Secretaries. We are in the process of scheduling the next round of meetings and would like to find a time to meet with Secretary Bernhardt. Can you or someone in your office assist with scheduling the meeting? Or can you provide a point of contact in the Secretary's office?

As far as who attends the meetings, most of the have included the DAEO and in some cases the General Counsel or Chief of Staff. The Director will be accompanied by one of his executives. After the meeting, the Director has typically met with the DAEO, taken a tour of the office space, and met the ethics team.

Thanks in advance.

Subject: Opportunity to Order Mini CFRs and the Compilation

Good morning,

As previously mentioned, OGE is ordering updated copies of 5 C.F.R. Chapter XVI, OGE Regulations and the Compilation of Federal Ethics Law. OGE will be ordering two copies for every agency. We have worked with GPO to set up a rider for agencies that might be interested in ordering more copies. Instructions for participating in the rider are below:

Agencies should complete the highlighted areas on the attached SF1. A separate SF-1 is required for each title. Please ensure all billing information is accurate and be sure to indicate your preferred delivery methods. Unless payment will be made by credit card, the SF1 must be signed by someone who has an authorizing signature letter on file at the Government Publishing Office (GPO).

The SF-1 is due to OGE by **June 12, 2019**. Please email the attached S-F1 to tiffany.fenix@oge.gov, with 5 C.F.R. Chapter XVI, OGE Regulations Book Rider” and/or “The Compilation of Federal Ethics Laws Rider” in the subject line.

The estimated per-copy rider rate for 5 C.F.R. Chapter XVI, OGE Regulations Book is \$7.50 each and \$4.00 each for the Compilation of Federal Ethics Law. Mailing charges, if incurred, will be added.

Heather,

The committee for Mr. Wallace has reached out and informed us they will need his final package by Friday.

This puts a bit of rush on things. I've included Heather Jones and Deb Bortot on cc in case they will need to review things later this evening. Please included them on any emails.

We will need to preclear early tomorrow (Thursday), so whatever you can do to move things this way, would greatly appreciate.

Agency DAEO/ADAEO and filer will need to be available to sign after we preclear (and after WH nominates, of course).

Good afternoon,

OGE views the Desk Officer program as a vital communications and support link to the ethics community. Recognizing the important role that this program plays, OGE continuously strives to maintain and enhance the services that our Desk Officers provide. In furtherance of these

efforts, OGE conducts a short survey each spring to evaluate the ethics community's level of satisfaction with the program. I understand that you contacted an OGE Desk Officer within the past six months. Therefore, I am asking you to participate in this year's survey, which is designed to help OGE ensure that the assistance provided by your Desk Officer continues to meet the standard of providing top-notch guidance and support.

All responses to the survey will be anonymous. The survey will close on April 26, 2019.

Please click the following link to take the survey:

Hi Monica,

I got your voicemail from Friday; thank you for the updates re: (b)(5) deliberative and some info also (b)(6). I'll be sure to add that to my notes.

You mentioned that the filer is confirming that (b)(5) deliberative and some info also (b)(6). I believe, other than that, the only remaining questions were a couple of things included in the last draft of the EA:

- (b)(5) deliberative and some info also (b)(6)
- (b)(5) deliberative

Thanks!

A number of filers for PAS positions have been re-nominated. If the original paperwork was signed by the filer after July 16, 2018, OGE will send the original paperwork to the Senate. This email addresses some of the steps that will need to be taken with respect to reports signed prior to July 16, 2018.

1. Filers will need to file new reports if their original paperwork was signed prior to July 16, 2018.
2. For 450 reports and confidential 278 reports, please work with the filer to update their previous report. Please make sure the filer starts with the final version of their previous report.

For 278 reports filed in Integrity, the filer should prepopulate the new report using the final version of the prior nominee report or the most recent annual report.

3. When you receive the new report, your first step is to make sure the report was updated. Here are some of the questions OGE will be asking you:

- Please have the filer confirm the report reflects the new reporting periods:
 - o For reports filed in 2019, the Part 1 and Part 4 reporting period is January 1, 2017 to present.
 - o For reports filed in 2019, the Part 2, Part 5, Part 6, and Part 8 reporting period is January 1, 2018 to present.
- Please confirm the filer has updated the value and income amounts.
- Please confirm the filer has updated their earned income.
- Please confirm the filer has reported any new assets.
- Please confirm any new or additional positions are reported.
- Please confirm any new sources of earned income for the filer and the spouse are reported.
- Please confirm the filer has updated the liabilities.
- Please confirm any new agreements or arrangements have been added.
- Please confirm any agreements or arrangements that have changed have been updated.
- Please confirm any new sources of compensation exceeding \$5,000 have been added.

Hi Heather,

I spoke with OGE's Listserv administrator, and here are two ways for your ethics officials to register:

- (1) If there will be many ethics officials registering at once, OGE would prefer a chart (such as an Excel spreadsheet or table in Word) with:

Name (First Name Last Name)	E-mail address
Jane Moral	moralj@testagency.gov

We have to manually register each employee for the Listserv. The above format tracks the system fields so that our staff will be able to quickly copy and paste in the information for each employee. If your office can't efficiently produce a chart with that name format, we can work with what you can provide – but, the above format is preferred. You would then send the completed chart to [\(b\)\(5\) deliberative \(internal email address\)](#), and we will get the employees registered.

- (2) Alternatively, if you have only a few employees who need to register, the individual employees may e-mail [\(b\)\(5\) deliberative \(internal email address\)](#) with their name and government e-mail address, and we will individually register them. Going forward, you are welcome to include in any SOPs you have for on-boarding new ethics officials that they e-mail [\(b\)\(5\) deliberative \(internal email address\)](#) with their name and government e-mail address to sign up.

Kim

Hi Alice,

Diana Veilleux forwarded your message to me.

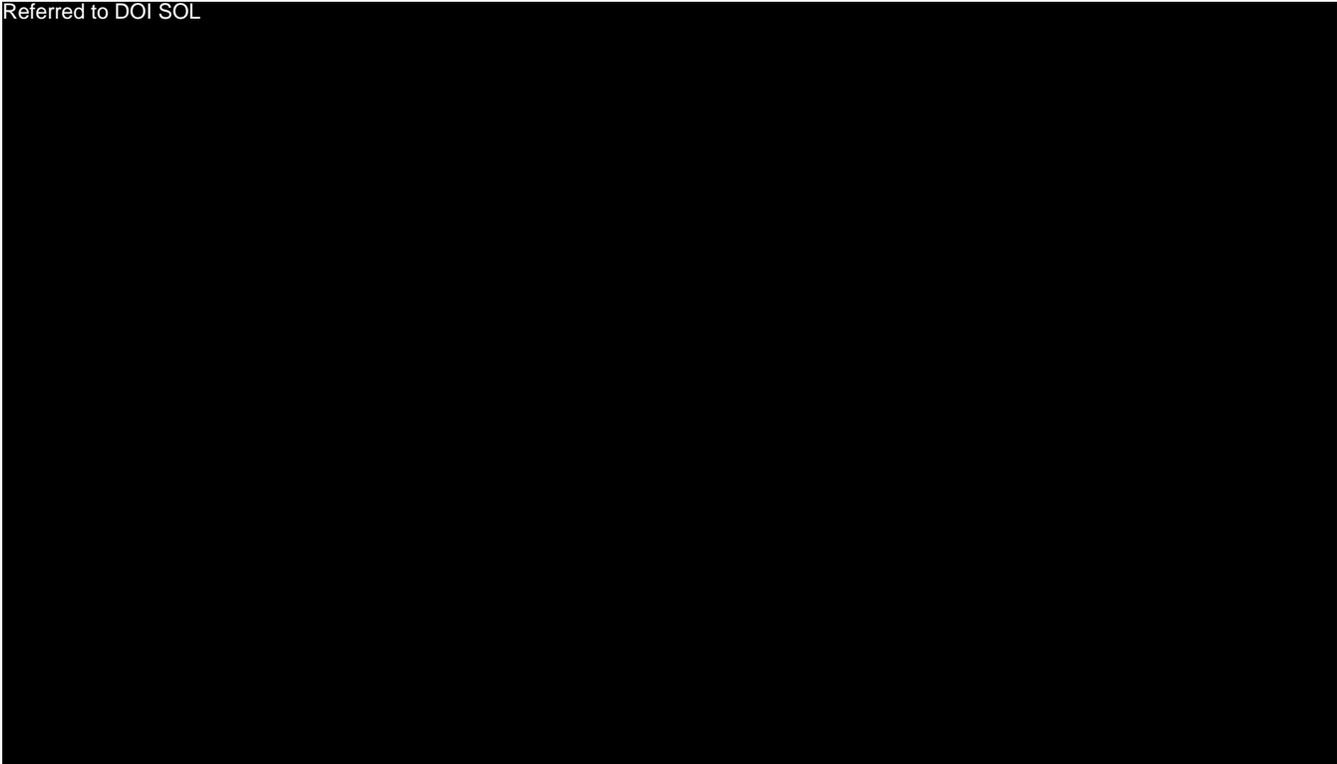

We are currently in the process of getting bound copies of the Compilation of Federal Ethics Laws printed. We anticipate that we will be able to make a limited number of copies available to each agency, although we have not yet determined the exact number. Additionally, we are exploring whether we have the option to open a rider to allow agencies to purchase additional copies. If we are able to open a rider, we will send notice to the ethics community.

Agency ethics officials do not have the authority to extend the compliance deadline; in cases of unusual hardship, OGE may decide to extend the deadline. See 5 C.F.R. § 2634.802(b). Please advise OGE via (b)(6) internal OGE email address as soon as possible if an extension will be requested.

Secretary Bernhardt is required to complete and sign the attached Certification of Ethics Agreement Compliance (See OGE's Program Advisory [PA 17-03](#)). The Secretary should provide the completed and signed Certification to ethics officials as soon as possible but not later than July 10, 2019. OGE is aware that some PAS officials have had questions about the appropriate response to Item 6a. "I am recusing from particular matters in which I know I have a personal or imputed financial interest directly and predictably affected by the matter, unless I have received a waiver or qualify for a regulatory exemption." Selecting the "yes" response indicates that the official is complying with and agrees to remain in compliance with what is usually the first requirement of any standard ethics agreement, "As required by 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter..." Therefore, the anticipated response is "yes." Officials selecting a "no" response would generally be expected to provide a comment in Item 11. "Comments of Appointee."

Good Afternoon,

First, thank you for making yourselves available to meet with us on the topic of discretionary trusts. As a reminder, we will meet at OGE's offices next Thursday, August 31, 2017, at 2:00 PM. If you need any information on logistics, please feel free to reach out to me.

Second, I am circulating four documents for use in our discussion, two previously issued legal advisories (OGE DO-08-024 and LA-13-04) and two non-public documents.

Regarding the non-public documents:

- The first is a set of questions that we are planning to use at the meeting to help guide the discussion;
- The second is a draft legal advisory.

Both of these documents are NON-PUBLIC and CLOSE HOLD. Please be aware that proposed conclusions in these documents are PREDECISIONAL and DELIBERATIVE, and therefore are subject to change. As a result, please DO NOT share the information in these documents or the documents themselves.

Again, we really appreciate your time and interest in this matter, and look forward to a fruitful conversation.

Hi Heather:

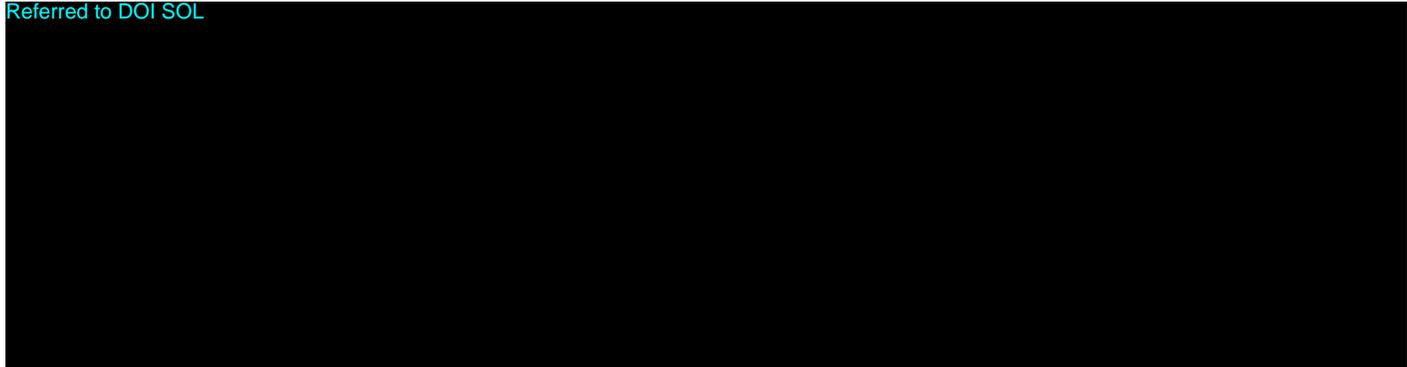

Attached please find a spreadsheet with 2 sheets. The first sheet has questions 2, 5, 15, 16, 20, and 35. The second sheet has question 24.

Let me know if you have any questions about the row headings; if you look at the questionnaire itself, the headings should make sense, but I'm happy to clarify if needed.

Finally, see page 2 of the attached PDF for the formula I used in 2017 to calculate the number of full-time equivalent ethics officials at each agency. Again, happy to discuss that formula, if you like.

Best,
Wendy

CY17 Annual Agency Ethics Program Questionnaire: Benchmarking Your Agency

Notes on Data and Methodology

Notes Source Data

- The charts in this document are based on agency responses to the 2017 Annual Agency Ethics Program Questionnaire. Individual agency responses are available [here](#), and the summary report, which aggregates the data, is available [here](#).
- The charts do not include agencies for which the relevant information was classified.

Notes on Data Quality

- OGE reviews agency responses to selected questions within the Questionnaire to identify potential anomalies. If an anomaly is found, OGE follows up with the agency; however, OGE does not independently verify the submitted information.

Notes on Methodology

- The charts in this document illustrate the ratios of certain data points per **one full time equivalent ethics official**:
 - Ratio of full time employees per one full-time equivalent ethics official
 - Ratio of required 278 reports per one full-time equivalent ethics official
 - Ratio of required 450 reports per one full-time equivalent ethics official
 - Ratio of employees required to receive initial ethics training per one equivalent full-time ethics official
 - Ratio of employees required to receive annual ethics training per one full-time ethics official
- OGE calculated the **full time equivalent ethics official** based on an agency's response to question #5 in the Questionnaire.

Example: The table below provides an example of an agency with 13 employees who performed ethics program duties in 2017.

Duty Station	Approximate amount of time spent each week performing ethics duties					TOTAL
	Less than 1 hour per week (up to .025 FTE*)	1-10 hours per week (up to .25 FTE*)	11-20 hours per week (up to .5 FTE*)	21-30 hours per week (up to .75 FTE*)	31-40 hours per week (up to 1 FTE*)	
D.C. Metro area	1	0	2	2	1	6
Outside the D.C. Metro area	1	3	3	0	0	7
TOTAL	2	3	5	2	1	13

In this example, the agency has the equivalent of 5.8 full time ethics officials:

$$(2 \times .025) + (3 \times .25) + (5 \times .5) + (2 \times .75) + (1 \times 1) = 5.8$$

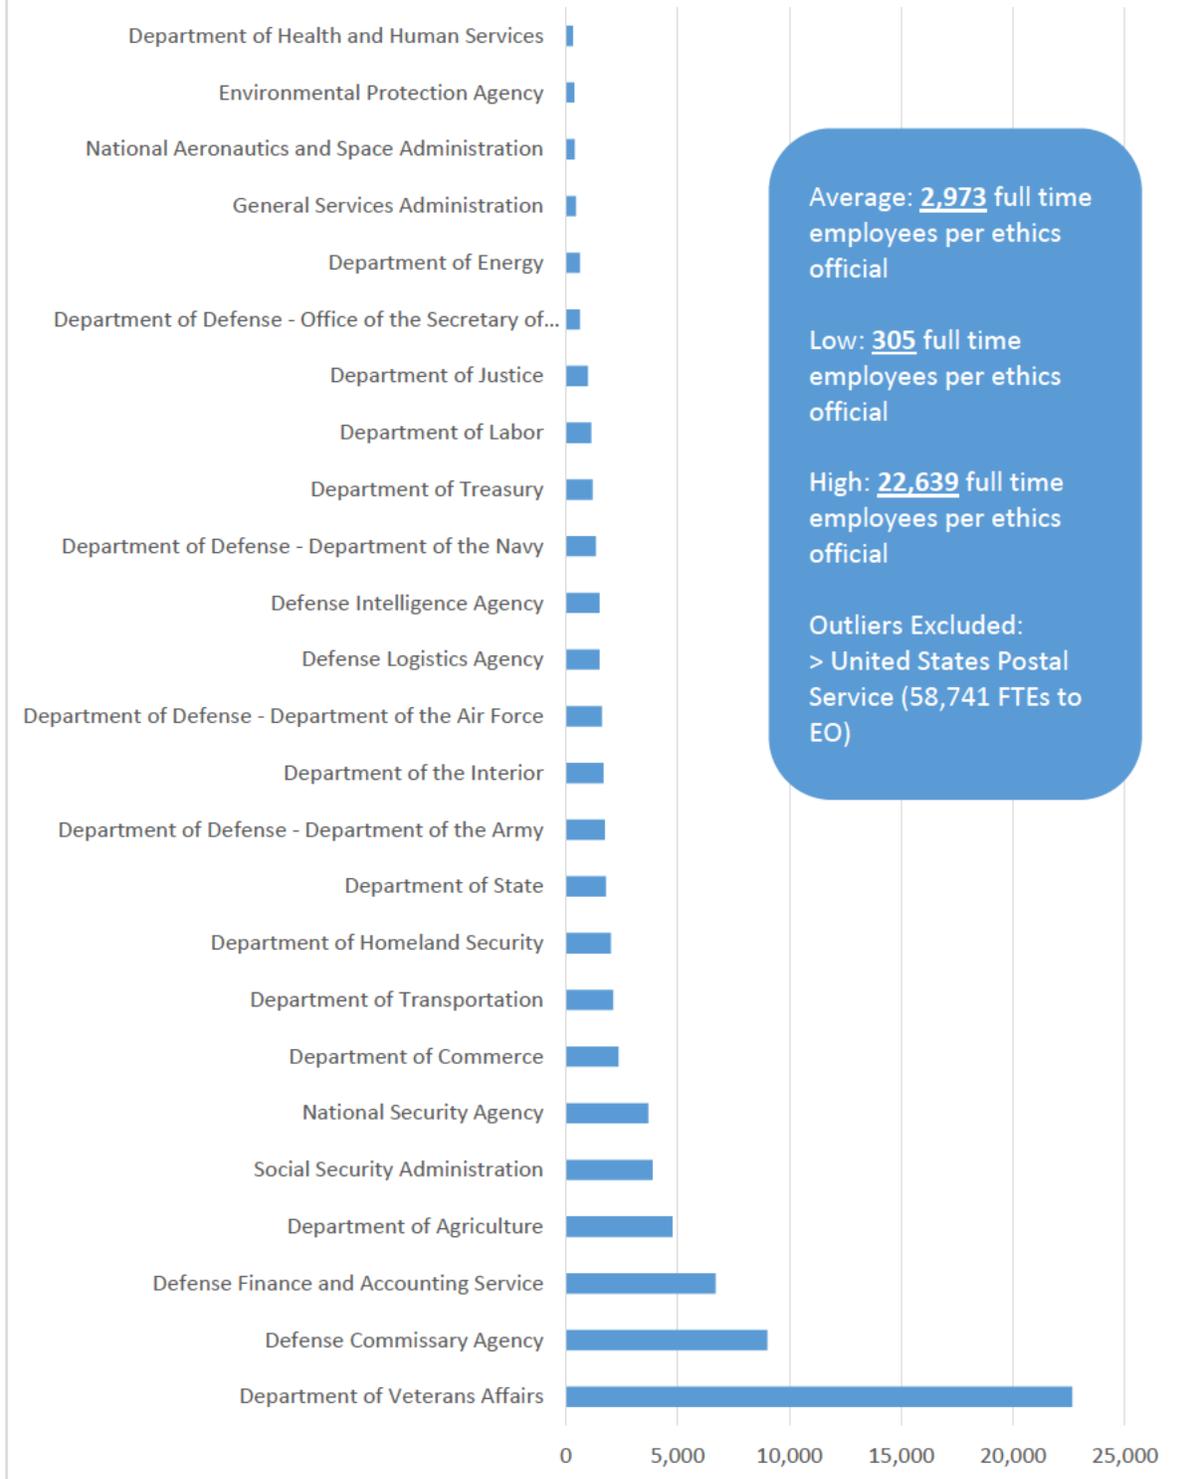

- The ratios are based on agency responses to the following Questionnaire questions:
 - full time employees, as of 12/31/17: question #2
 - public financial disclosure filers (OGE Form 278e): question #46
 - confidential financial disclosure filers: question #61
 - initial ethics training: question #24
 - annual ethics training: question #34
- Keep in mind that some agencies have the equivalent of less than one full time ethics official. In those cases, the ratio does *not* reflect the *actual* number of full time employees per FTE ethics official, but rather the *proportional* amount, were the agency to have one FTE ethics official.
- If an agency reported zero ethics officials for 2017, then there is no ratio for that agency, and they are not included in the charts or the averages.
- “Outliers” are defined as agencies whose ratio is more than two standard deviations from the mean.

Hi Scott,

I apologize for not returning your call. I talked to Kim Kaplan who gave me a quick briefing on the status of your program structure changes. I would like to talk to you about how that's progressing: time lines (to the extent you can predict them), implications for our next review, etc. I'm leaving the office for the day and I'm out tomorrow, but would be happy to set a time next week that's convenient. I know it's busy over there even when you're not reinventing ethics at Interior. I don't need an elaborate briefing but would appreciate hearing about some of the basics and what to expect.

Talk to you next week,
Doug

Heather,

Do you have a conference line you could circulate? Seth and I are working in different locations today. If not, then I will call at 4:30 and Seth may try to call Scott's line later. I will be calling from a (b) (6) # in case there isn't a conference line (so you don't screen me!)

Thanks!
