Afternoon,

The IEG is working to update the orientations for new DAEOs and alternates. As part of that update, they would like to invite all of the executives to join the orientations during day 1 to welcome the new DAEOs and alternates and share information about how they will work with your respective divisions. The IEG has put together a draft outline of topics to discuss based on the current outline for meeting with new cabinet DAEOs (attached). We typically hold these orientations 2-3 times a year.

The next orientation is December 2nd and this session would begin around 10:10 for 30 minutes. Please let me know if you are amenable to this plan and available at that date/time.
