

Resources on Pandemic-Related Ethics Issues (Public Financial Disclosure)

This is the seventh in a series of resource compilations that address ethics issues agencies may face when responding to COVID-19 and/or managing the disruptions caused by the pandemic. Provided below are resources related to public financial disclosure.

OGE Advisories:

- **PA-20-02: Deadlines and Procedures for Annual Public Financial Disclosure Reports of Executive Branch Employees (2020 Filing Cycle).** This Program Advisory provides filing deadlines for the public financial disclosure reports of executive branch employees and procedures for the reports agencies are required to transmit to the Office of Government Ethics.

OGE Classes and Training Materials:

- **Public Financial Disclosure Curriculum.** OGE has published a series of five distance learning videos to prepare new public financial disclosure reviewers for the filing season. These videos provide participants with the purposes of financial disclosure, tools to assist in reviewing disclosures, and opportunities to practice reviewing a report. <https://extapps2.oge.gov/Training/OGETraining.nsf/OGECourse.xsp?action=openDocument&documentId=4EDD4D0D59AE95948525856800630DE6>
