	<p>(8.6) NSF's Director, and Executive Schedule II official, received live training in 2018 and 2019.</p> <p>(8.8, 8.9, 8.12) NSF's tracking system does not distinguish between who receives live training and who receives interactive training. Therefore, OGE was not able to determine the actual percentage of employees in these three categories who received live vs. interactive training. The percentages entered in the Interactive column represent the total number of employees who received both live and interactive training. However, OGE was presented with documentation that established live training was provided to a large number of NSF staff.</p>
